

HERCULES

Fire Blanket

Appropriate for kitchens, vehicles, schools, ships & warehouses.

The fire blanket can be wrapped around the body to put out fires during emergency. More importantly, it can also be used to protect the operator from flames during an escape.

Suitable for A and B fire types

Does not expire and does not require servicing.

These fire blankets have been tested up to 550 Degrees Celcius

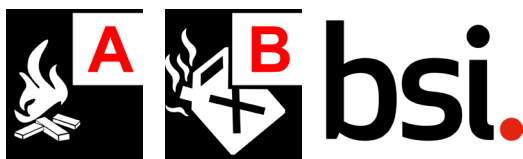

Instructions for use

1. Pull down to release blanket.
2. Gently cover the fire.
3. Turn off the source of heat.

For cloth fires, wrap blanket around the body.

Discard immediately after use.

SIZE	MATERIAL	DIMENSIONS	IMPA	PART NO
Regular	Fibreglass	4ft x 6ft , 120cm x 180cm	330950	ACC-JS-BLK64
