

HERCULES

Stainless Steel Swing Type Fire Hose Reel

Type	SWING
MODEL	FA-HRCS-01
Hose Diameter	25MM
Hose Length	30M
Hydraulic Pressure Test	30 Bar for 60s
Max Working Pressure	1.2MPA
Waterway Material	Brass
Plate material	Stainless Steel 316
Nozzle Material	Brass
Color	-
PART NO	HRL-CS-01SS

Information

Made of stainless steel for corrosive environments such as the marine industry.

Comes with adjustable flexible tube which makes installation much easier as compared to fixed types. Flexible tubing also increases the expected life span on a hose reel.
