

# Y SERIES

## Dual Purpose Jet / Spray Nozzle

### Application

- Refineries, chemical industry, military, fire brigades, marine & offshore ins

### Features

- MED Approved to latest regulations EU 2015/559.
- Complies to EN 371 and EN 15182
- Available with different types and sizes of adapters and couplings.
- Light weight
- Low pressure loss, longer throwing distance at same pressure
- Full corrosion resistance against sea water (124h salt spray tested)
- Maintenance free, low operating forces using ergonomic design

DIAMETER	Outlet Opening	Connection	Flow Rate, Straight Jet	Effective Throw, Straight Jet	PART NO
Y12	12mm	2.0" BSP	179 Ltr / Min	29m	NOL-YB-Y12
Y16	16mm	2.0" BSP	346 Ltr / Min	35m	NOL-YB-Y16
Y19	19mm	2.0" BSP	378 Ltr / Min	38m	NOL-YB-Y19
